

10th IEEE India International Conference on Power Electronics (IICPE-2026)

(Under the aegis of IEEE PELS-IES Delhi chapter and IEEE PES-IAS Delhi Chapter)

In Joint Collaboration of

National Institute of Technology Uttarakhand & Maulana Azad National Institute of Technology Bhopal

“Theme: Power Electronics Innovations for Sustainable and Inclusive Energy Access”

13-15 December 2026

Maulana Azad National Institute of Technology, Bhopal

About IICPE

The India International Conference on Power Electronics (IICPE) is a premier biennial event organized under the IEEE Power Electronics Society (PELS) and supported by IEEE India chapters, particularly the Delhi Section. It serves as a key platform for researchers, engineers, and academics to discuss advancements in power electronics, including converters, renewable energy integration, control systems, electric drives, and grid technologies. The series began in the early 2000s to address growing needs in India's power sector and has evolved to focus on sustainable energy solutions. Proceedings are published in IEEE Xplore, with coverage spanning select years reflecting publication dates.

Conference Tracks

- ✓ Power Electronics & Electrical Drives
- ✓ E-Mobility
- ✓ Grid Integration of Renewables and Smart Grid Technologies
- ✓ AI-Driven Systems & Cyber-Physical Security in Power Electronics
- ✓ Applications of Wide-Bandgap Devices
- ✓ Policy, Standards, and Financing Models
- ✓ Low-Cost & Reliable Power Converters

A selection of top papers (20%) will additionally be considered for extended publication in the IEEE Transactions on Industry Applications or IEEE Industry Applications Magazine.

Paper Submission

Prospective authors are invited to submit original technical papers for publication in the IICPE 2026 Conference Proceedings and presentation at the Conference. Accepted papers, upon presentation and compliance with IEEE publication guidelines, will be published in IEEE Xplore.

Authors must submit their manuscripts via Microsoft CMT on or before the submission deadline. All manuscripts will undergo a double-blind peer review process for technical quality and scope by the Technical Program Committee.

Please note that IEEE IICPE 2026 will strictly follow a double-blind review process. All submissions will be evaluated based on their quality, clarity, and relevance while maintaining author anonymity. Authors must ensure that their manuscripts do not reveal their identity, either directly or indirectly, while still providing sufficient context for related prior work, including their own. Papers not conforming to the double-blind submission policy will be rejected without review.

Submission Link

All submissions need to be submitted through the CMT using the link :

Chief-Patron

Prof. Karunesh Kumar Shukla

Director, National Institute of Technology Uttarakhand & Maulana Azad National Institute of Technology Bhopal

Patron

Prof. G. S. Tomar

Chairperson MP Section

Prof. Rachna Garg

Chairperson IEEE PELS-IES Delhi Chapter

Prof. Perna Gaur

Chairperson IEEE PES-IAS Delhi Chapter

General Chair

Prof. Vivek Shrivastava

NIT Uttarakhand

Prof. Sanjeev Singh

MANIT Bhopal

Dr. Sanjeet K Dwivedi

Green Energy Consultant, Denmark

Technical Program Chair

Prof. Manisha Dubey

MANIT Bhopal

Dr. Mahiraj Singh Rawat

NIT Uttarakhand

Dr. T. N. Gupta

NIT Uttarakhand

Organizing Secretary

Dr. Saurabh Shukla

Assistant Professor, EED, MANIT Bhopal

Dr. K. K. Prabhakaran

Assistant Professor, EED, MANIT Bhopal

Dr. Ravinder Kumar

Assistant Professor, EED, NIT Uttarakhand

Dr. Jaiverdhan

Assistant Professor, ECE, NIT Uttarakhand

Important Date

- 1st March 2026
Call for papers
- 30th June 2026
Full Paper Submission
- 31st August, 2026
Acceptance notification
- 30th September 2026
Camera Ready Paper Submission closes
- 30th September 2026
Early Bird Registration Deadline
- 31st October 2026
STANDARD Registration Deadline
- 13-15 December 2026
Conference date
