CIRCULAR

The employees of the Institute are applying for appointment outside the Institute. Most of the time applications are sent online by the applicant directly with due permission. However, the NIT Statutes 24(vii) implies that the application of the employees of the Institute shall be forwarded for employment outside the Institute only 3 three times in a calendar year.

It is therefore, brought to the notice of all the employees that though the number of applications made by the employee for employment outside the Institute, the no objection certificate will be issued to them only three times in a calendar year.
