NOTICE

All HoDs/Exam Coordinators are requested to ensure that the Sitting Arrangement of the students in class room for conduct of Sessional/End/Mid Semester Exam is changed for each day of examination and declared/displayed 20 minutes before the start of examination.

As our class rooms are open for 24 hours to enable students for study in a silent place, there are chances that some students may write on the desk in previous night of examination which will amount to unfair means.
