Rules and Regulations
for
Ph.D.

October, 2023

**NATIONAL INSTITUTE OF TECHNOLOGY,
UTTARAKHAND**

1. INTRODUCTION

1.1 PREAMBLE

These rules and regulations govern all the Ph.D. Programme in NITUK. The Institute offers Ph.D. Programme in a wide range of areas in Engineering, Science, Humanities and Social Sciences. The broad objective of the Ph.D. Programme is not only to keep pace with the expanding frontiers of knowledge but also to provide research training relevant to the present social and economic objectives of the country. The Institute also encourages research in interdisciplinary areas through a system of joint supervision and interdepartmental group activities. The presence of a strong research oriented faculty provides excellent opportunities for such Programme. The Institute undertakes sponsored research and development projects from industrial and other organizations in public as well as private sector. Facilities for research work leading to the Ph.D. degree are available in the Departments of Computer Science & Engineering, Electronics Engineering, Electrical Engineering, Mechanical Engineering, Civil Engineering, Physics, Chemistry, Mathematics, Humanities & Social Sciences. The medium of instruction in the Institute is English.

1.2 DEPARTMENTS

The Institute has following Academic Units, each one acting as a Department. The various Departments and their two-letter codes are given below.

S. N.	Name of Department	Code
1	Civil Engineering	CE
2	Computer Science and Engineering	CS
3	Electrical Engineering	EE
4	Electronics Engineering	EC
5	Mechanical Engineering	ME
6	Physics	PH
7	Chemistry	CY
8	Mathematics	MA
9	Humanities & Social Sciences	HS

1.3 PROGRAMMES OFFERED

Institute offers Academic Programmes in Engineering at Undergraduate & Postgraduate levels. Only research based Programmes are included in this ordinance. Course based Programmes are covered by Ordinances for Undergraduate and Postgraduate Programmes.

Each Department offers a Ph.D. Programme. Types of Ph.D. Programme offered are as under.

	Full Time				Part Time	
PhD	With Fellowship	With Assistantship	Sponsored	Self-Sponsored	Sponsored	Self-Sponsored
	*	#	+		+	
		Yes	Yes	Yes	Yes	Yes

* Number of fellowships offered shall be declared in the beginning of every year.

The number of fellowships and amount of fellowship shall be as per directives of MHRD.

Assistantships availability shall depend upon ongoing projects. Assistantships shall be declared by the Project's Investigator with approval from NITUK and sponsoring agency.

+ Sponsorships offered by the employer of the candidate.

1.3.1 Conversion of status from part time to full time or from full time to part time

The conversion of status from Part time to Full time or From Full Time to Part Time is permitted. However, in either case minimum period of submission of the thesis shall be governed by Part Time regulation. Other regulations shall be applicable as per the changed status. Change of status shall be permitted on formal application submitted to Dean (Academic Affairs) through supervisor and HoD. Such change shall be permitted only once during the registration period of 6 years.

1.3.2 Provision to offer full time Ph.D. Programme to the project staff of the institute

1.3.2.1 The Project staff or JRF/SRF who satisfies the eligibility criteria as per institute norms may be considered for admission to the Ph.D. Programme as full time scholar.

1.3.2.2 There shall be no special treatment/preference/concessions given to Project Staff appointed in various Research Projects in the Institute, and who are aspiring to enroll in the Institute for pursuing Ph.D. They will have to compete with all other applicants against an Open Advertisement.

1.3.2.3 The other rules and regulations regarding fees, course work, degree requirement etc. shall be same as applicable to full time Ph.D. scholars as mentioned in Ordinances, Rules and Regulations for Ph.D.

1.3.2.4 The fellowship to such Project staff who has been offered admission in full time Ph.D. Programme, shall continue to draw fellowship from the project throughout the duration of the project.

1.3.2.5 In case of termination/completion of the project before five years, the scholarship then shall be paid to the scholars as per MHRD norms for the remaining period.

1.4 ADMISSION PROCEDURE (Full Time & Part Time)

1.4.1 Minimum Qualifications for Admission

A candidate is eligible for admission in Ph.D. programme if he/she satisfies the following conditions:

A Master's degree in the concerned or an allied subject with a minimum 6.5 CGPA or 60% for General/OBC and 6.0 CGPA or 55% for SC/ST/PWD candidate.

or

A minimum of 6.5 CGPA or 60% for General/OBC and 6.0 CGPA or 55% for SC/ST/PWD at Bachelors level with at least 55% marks at Master's level.

1.4.1.1 For full time Ph.D. Programme

Candidates should have qualified GATE / NET.

1.4.1.2 For part time Ph.D. Programme

Candidates should have qualified GATE / NET. However, relaxation from the requirement of GATE/NET will be given only for admission into part time Ph.D. Program, for candidates with minimum two years of service experience in reputed Academic/Industrial Organizations or Govt. funded Research Projects. However, at the time of application against Institute advertisement, the candidate should be in service. NOC in case of serving candidate is mandatory. Essential qualifications, other terms & conditions will be same as per Ordinances of the Institute. All the UGC/AICTE approved institutions may be considered as the reputed Academic Institutes and experience from all those Institutes should be considered while shortlisting the applications for Ph.D. admission. The selection procedure shall be same as for full time Ph.D. Programme. Other guidelines regarding Fees, Registration, Enrollment, Course work, Attendance, Registration seminar, Thesis submission etc. shall be same as per Ph.D. Ordinances of the institute.

1.4.2 Application Procedure and other guidelines of Ph.D. Programme

1.4.2.1 The prospective PhD admission shall be offered provisionally in both the semesters through advertisements (prominent Newspapers & Institute Website)

1.4.2.2 The application forms for Ph.D. registration will be available on the Institute website: www.nituk.ac.in. It is to be downloaded and to be properly filled.

1.4.2.3 The form, duly filled in by the candidate, should be submitted by published last date to the Institute. Incomplete applications and those received late will not be processed. The application form (downloaded from website) must be accompanied with a DD of Rs. 500/- and drawn in favor of Director NITUK, and attested copies of marksheets / degree certificates and other certificates to substantiate the information provided in the application form.

1.4.2.4 Candidates applying for full time or part time Programme will be required to appear for written test to be conducted in the respective departments. Further, the scholars shortlisted on the basis of performance in the written test shall be interviewed. The schedule of written test and interview shall be available in admission notification. The candidates will be required to appear for written test / interview at their own cost.

1.4.2.5 Selected candidates shall be intimated about their selection and allotted a supervisor. Candidates will be given provisional admission at the Institute. The PhD candidates are required to register for the PhD course work immediately after joining. Therefore the admission process shall be completed in July/December so that PhD candidates can register along with Academic registration. Candidates, in consultation with the supervisor shall identify the broad area of research within three months of their Registration.

1.4.2.6 The date of joining of a candidate at the Institute will be considered the date of registration in Ph.D. Programme. However for the payment of fee and for all Academic activities scheduled in a semester, the date shall be 1st January / 1st July which is preceding the date of provisional admission.

1.4.2.7 The Ph.D. candidates are required to register for Ph.D. Course work immediately after joining the Institute. The student is required to complete the course work within three semesters (including the duration of failure in course work) from the date of joining in Ph.D Program.

1.4.2.8 The Ph.D students who join in Ph.D Program in the middle of Semester, their duration for completion of course work will be counted from the beginning of next Semester. The fellowship of the candidate will start from his/her initial date of admission.

1.4.2.9 A Ph.D scholar sponsored by the Institute will be awarded fellowship by the Institute for maximum 5 years from the date of joining the Ph.D Program or until the submission of his or her Ph.D. thesis, whichever is earlier, subject to the satisfactory performance of the student as recommended by RPC from time to time.

1.4.2.10 A student who is admitted in full-time Ph.D. Program as institute fellow can surrender his/her Institute fellowship and can join in NET-JRF (CSIR/UGC) fellowship on the recommendation of his/her supervisor(s) and approval of Dean (Acad.) through proper channel. However, the date of Ph.D. Registration and validity period of Ph.D. registration will remain same i.e. the initial date of joining in Ph.D. program. The student will be governed by the Ph.D. Ordinances of the institute in all aspects. Once the student joins in NET-JRF, he/she further can't revert in Institute fellowship.

1.4.2.11 The supervisor will propose a **Research Progress Committee, (RPC)** for that Ph.D. candidate. The RPC shall monitor the progress of Ph.D. work of the candidate. Following shall be the composition of RPC.

- i) Convener: Respective Supervisor.
- ii) Two Experts from Department (to be nominated by supervisor)
- iii) One Expert from allied Department (to be nominated by supervisor & approved by Chairman, SPGB)

1.4.2.12 The Ph.D. candidates have to defend the explicit research proposal before the RPC members within 18 months from the date of their Ph.D. registration. An extension of 6 months may be given to the candidate on recommendation of his/her RPC members, subject to the approval of Asso. Dean (Academic Affairs)/ Dean (Academic Affairs). The research proposal shall be submitted only after completion of the Course work. The candidate shall submit, at least three days in advance, a copy of synopsis duly approved by the supervisor to all RPC members. The synopsis shall include outline of the work with reference to problem identification, objective, scope of work, methodology and results till date.

1.4.2.13 The Registration of the candidate for the Ph.D. Program will be confirmed on successful completion of the course work (with minimum 7.0 CGPA) followed by recommendation of the RPC members on his/her research proposal which shall be approved finally by Asso. Dean (Academic Affairs)/Dean (Academic Affairs). The

supervisor and HOD will forward the report of Registration seminar to Academic Section. The report shall include RPC recommendation and synopsis. If the performance of candidate is not satisfactory in Registration seminar, then the RPC may not recommend the case for Registration.

1.4.2.14 Dean (Academic Affairs) will issue a notice indicating list of candidates confirming their Registration in Ph.D. Program.

1.4.2.15 RPC shall recommend the courses to be undertaken by the candidate as per the norms.

1.4.2.16 The Registration will be valid for a period of 6 years from the date of Registration and no further extension will be granted under normal circumstances.

1.4.2.17 After 6 years, if the candidate wishes to continue research, the candidate will be required to register again. The candidate should apply for re-registration before completion of 6 years of registration period. If the re-registration application is received after 1st January / 1st July, the candidate will be required to register again following the procedure for fresh candidates.

1.4.2.18 Guidelines for the disbursement of Institute Fellowship to Ph.D. research scholar:

1. The fellowship of the candidate will start from his/her initial date of admission.
2. A Ph.D. scholar sponsored by the Institute will be granted fellowship for a maximum of 5 years from the date of joining the Ph.D. programme or until the submission of his or her Ph.D. thesis, whichever is earlier, subject to the satisfactory performance of the student as recommended by RPC from time to time.
3. If the student fails to maintain the CGPA 7.00 or above during course work, his/her scholarship shall be stopped from the next month of the declaration of the results.
4. In case of any indiscipline created by Ph.D./M.Tech./JRF/SRF Student, his/her scholarship will be stopped.
5. Up to the 3rd year of Ph.D. program (before completion of 4 Year from date of joining), the student must publish at least one paper in a SCI/SCIE/Scopus indexed journal, failing which the student's scholarship will be stopped in the fourth year.
6. Furthermore, up to the 4th year of Ph.D. program (before completion of 5 Year from date of joining), the student must publish at least two papers in a SCI/SCIE/Scopus indexed journal, failing which the student's scholarship will be stopped in the fifth year.
7. The disbursement of the scholarship will be resumed when the student will fulfil the required criteria.

8. The above rules will be applicable for the newly admitted Ph.D. student (Academic Year 2022-23 onwards) who will receive institute scholarship.

9. The above rules (except rule at Pt. 4) are not applicable for the student's availing scholarship in Ph.D. programme from other funding agencies (CSIR, UGC, DST, etc.)

1.5 SUPERVISOR FOR Ph.D.

1.5.1 A staff member of NITUK possessing Ph.D. will be recognized as a supervisor for the Ph.D. Programmes at NITUK in their subject.

1.5.2 A supervisor can guide maximum four candidates for PhD Programme at a time in NITUK, out of which maximum two candidates will be offered MHRD scholarship by the Institute. Accordingly, annual intake of Ph.D. students will be decided by SPGB.

1.5.3 Faculty member of NIT Uttarakhand can act as Ph.D. Thesis Co-Supervisor of student outside NIT Uttarakhand provided the student is studying in Government Institution or any Private Institution (within NIRF 100 ranking).

1.5.4 Outside researchers can guide Ph.D. thesis as additional supervisors only. Principal supervisor should be essentially from NITUK.

1.5.5 The co-supervisor of a Ph.D student from inside and outside the institute can be added before confirmation of Ph.D registration. This is applicable for the serving faculty members of the Institute.

1.5.6 The addition of co-supervisor from the institute and outside the Institute may be allowed on the recommendation of RPC followed by DPGC and SPGB. The recommendation will be implemented upon the approval of the Chairman Senate and the same will be ratified in the upcoming senate.

For outside Co-Supervisor, following guidelines must be followed: -

Sl. No.	Co-Supervisor is from:	Resolution
A.	Academic Technical Institute	The Co-Supervisor must be from CFTIs, Government Institute, and Private Institutes within NIRF 100 Ranking.
B.	Medical Institute	The Co-Supervisor must be at least MD/MS with 4 SCI/SCIE publications as first author and has produced/supervised at least one Ph.D. student.
C.	Industry/R&D Lab	The Co-Supervisor must be at least M.Tech./ME/MS/M.Sc. with at least five year experience and have at least 4 SCI/SCIE publications as first author and total ten publications.

1.5.7 If any faculty of the Institute leaves the Institute due to any reason, the main supervisor/ co-supervisor of the Ph.D. students registered under him/her will be decided based on the following conditions:

S. No.	Status of the student	Guidelines
1.	The Student has not completed the coursework.	1. A new supervisor will be allotted by a duly constituted committee under the chairmanship of Dean (Acad). The recommendation of the committee will be implemented upon the approval of the Chairman, Senate.
2.	The student has completed the coursework but he/she is not in a position to submit his/her thesis within the next six months from the date, the main supervisor leaves the institute.	1. Main supervisor will become co-supervisor and co-supervisor (if any) will become main supervisor automatically. An office order will be issued in this regard. 2. Main supervisor will become co-supervisor and the main supervisor (in case of no co-supervisor) will be allotted by a duly constituted committee under the chairmanship of Dean (Acad). The recommendation of the committee will be implemented upon the approval of the Chairman, Senate.
3.	The student is in a position to submit his/her thesis within the next six months from the date, the main supervisor leaves the institute.	1. Main supervisor will be allowed to continue as the main supervisor for next six months. 2. If the student doesn't submit his/her thesis within the next six months, main supervisor will become co-supervisor and co-supervisor will become main supervisor automatically. In case of no co-supervisor, main supervisor will be allotted by a duly constituted committee under the chairmanship of Dean (Acad). The recommendation of the committee will be implemented upon the approval of the Chairman, Senate.

4.	Otherwise	1. A new supervisor will be allotted by a duly constituted committee under the chairmanship of Dean (Acad). The recommendation of the committee will be implemented upon the approval of the Chairman, Senate.
----	-----------	--

1.5.8 An additional supervisor / external supervisor can have maximum 3 candidates registered under him/her at a time in NITUK.

1.5.9 In the subjects for which there are no recognized supervisors in NITUK, the external supervisor alone can guide the Ph.D. work at NITUK.

1.5.10 The practice of change of Supervisor should be discouraged under the normal circumstances. Candidate's current supervisor and co-supervisor(s) shall sign the application for change of supervisor jointly. Such applications if recommended by HoD shall be considered by Asso. Dean (Academic Affairs) as Chairman, SPGB.

1.5.11 However, any application from the candidate or the Supervisor requesting for a change may be considered and decided by a Committee comprising Dean (R&D), Dean (Academic Affairs) and HoD of the concerned Department. In case, any of the above committee members happens to be the Supervisor, the Director shall nominate a member in lieu of the above Supervisor.

1.6 PLACE OF WORK

1.6.1 Normally the place of work will be NITUK.

1.6.2 The place of work other than NITUK, if approved by RPC, shall be mentioned in the report of Registration or six monthly seminar.

1.7 PAYMENT OF FEES AND DEPOSITS

a) Application fee for Ph.D. registration: Rs. 500/-

b) Other fees:

(I) Registration	Rs. 5,000/- (one time)
Tuition fee	Rs. 15,000/- (Annual)
Caution money	Rs. 3,000/- (refundable)
Library fee	Rs. 2,000/- (one time)
Development fee	Rs. 10,000/- (annual)

TOTAL Rs. 35,000/-

Rs. 35,000/- is to be paid before 31st January / 31st July.

(II) Subsequent years: Annual fees

Tuition fee Rs. 15,000/-

Development fee Rs. 10,000/-

TOTAL Rs. 25,000/-

Rs. 25,000/- is to be paid before six monthly seminars of June / December.

(III) Examination fee:

The examination fee of Rs. 5000/- shall be paid by the candidate prior to the submission of the thesis.

Note:

- 1. The delay in payment of annual fees may invite cancellation of registration. Payment of fees is annual. Six-monthly seminar shall not be conducted without payment of fees.*
- 2. All the staff members of NITUK will be exempted from the payment of annual fees. However, they will have to pay a registration fee of Rs. 5000/- and examination fee of Rs. 5000/-.*
- 3. Students who are staying in Quarters are required to pay license fees, water & Electricity Charges, etc. as applicable for occupation of these quarters as per the Estate Office Rules*
- 4. If the thesis is submitted after 31st December /30th June, candidates are required to pay the fees for next Academic session.*

1.8 SCHOLAR'S ROLL NUMBER

1.8.1 Each Scholar shall be allotted an Identification Number during first registration and which will be a permanent identification number.

1.8.2 The roll number of a Scholar shall consist of ten alpha-numerals (XXnnYYZmmm), e.g. DT08EEJ001.

‘XX’ Indicates Programme Code

Code	Programme
DS	Doctor of Philosophy in Science
DT	Doctor of Philosophy in Technology
DH	Doctor of Philosophy in Humanities, Social Sciences & Other Areas
DB	Doctor of Philosophy in Business Management

‘nn’ indicates year of admission

YY indicates department code

Z indicates code for area of research.

(2008 is indicated as 08)

(EE is for Electrical Engineering)

J for areas related to departments I for

Interdisciplinary area

mmm indicates Sr. No. in Programme

DT13EEJ001 indicates roll number 001 of

Ph.D scholar admitted in 2013 in

Electrical Engineering Department.

2. ENROLLMENT AND ATTENDANCE

2.1. ENROLLMENT

Enrollment is a very important procedural part of the academic system. The enrollment procedure ensures that the scholar's name is on the roll list of each course that he/she wants to study. No credit is given if the scholar attends a course for which he/she has not registered. Registration for courses to be taken in a particular semester will be done according to a specified schedule at the beginning of semester commencing from Aug/Jan. Scholar's Supervisor must approve the choice of courses. The Scholar must also take steps to pay his/her dues before delivery of the seminar. Scholars should enroll themselves on a stipulated date. Enrollment after the specified date will be allowed only once in duration of completion of Programme. A scholar must meet his/her supervisor within the first week of the new semester for confirmation of his/her registration. The relevant dates are included in the Academic Calendar that is available before the start of the semester.

Part time Ph.D. scholars shall register within one month of declared date of registration. These scholars note that this is a special favor and under no circumstances, further extension shall be allowed. If a scholar is likely to be outstation during registration, he/she shall seek prior permission from Dean (Academic Affairs). However enrollment dates shall not be extended.

2.2 ENROLLMENT AND SCHOLAR STATUS

Enrollment by a scholar confirms his/her status as scholar at the Institute. Failure to enroll before the last date for late enrollment will imply that the scholar has discontinued studies and his/her name will be struck-off the rolls.

Every registered scholar, except **part-time** doctoral scholars, is considered as a full-time scholar at the institute. They are expected to be present at the Institute and devote full time to academics.

Scholars who have completed all course works are not required to register for the courses any further. They should enroll themselves for next semester after delivering the six-monthly seminars. Registration and enrollment procedures are required till submission of Ph.D. thesis.

2.3 ADVICE ON COURSES

At the time of Registration, each scholar must consult his/her Supervisor to finalize the Academic Programme.

2.4 REGISTRATION VALIDATION

Before the first day of classes, every scholar is required to be present on campus and validate his/her registration. Scholars who do not do registration validation (enrollment of courses) will not be permitted to add/drop courses.

2.5 MINIMUM SCHOLAR REGISTRATION IN A COURSE

Ph.D. scholars can register / enroll for only 500 or 600 level courses. There is no requirement of minimum number of enrolled students to run a course where these Ph.D. scholars are registered.

2.6 LATE REGISTRATION / ENROLLMENT

Late registration is permitted under the following conditions:

A scholar, who was not in the campus during the period of registration in the previous semester needs to complete the registration process on or before the first day of the semester before Late Enrollment. For reasons beyond his/her control, if a scholar is not able to enroll, late enrollment is permitted until one week after the start of the semester. However, this facility can be availed only once in the duration of program.

2.7 ADDITION, DELETION, AUDIT AND WITHDRAWAL FROM COURSES

(a) Add/Drop: A scholar has the option to add a course(s) that he/she has not registered for, or drop a course(s) for which he/she has already registered for. This facility is restricted to the first week of the semester.

(b) Audit: A scholar may apply for changing a credit course to an audit one within one week of the end of the first sessional examination.

(c) Withdrawal: A scholar who wants to withdraw from a course should apply within one week of the end of first sessional examination. A withdrawal grade (XX) will be awarded in such cases. A course withdrawal will not be permitted if the number of students in that course drops to less than 6 on account of course withdrawal by the students and in such, a case no student will be allowed to withdraw from that course.

2.8 SEMESTER WITHDRAWAL

If a scholar is absent for more than 20 teaching days in a semester on medical grounds, then he/she may apply for withdrawal from that semester, i.e. withdrawal from all courses registered in that semester. Application for semester withdrawal must be made as early as possible and latest one week before the start of the End Semester Examination. Partial withdrawal from courses registered in a semester is not allowed.

Scholars registered under Research Programme can not withdraw the main Project XXD601 (For PhD). Semester withdrawal for these scholars shall exclude subjects XXD601.

2.9 REGISTRATION IN SPECIAL MODULE COURSES

Special module courses, i.e. V-category courses, can be offered at the beginning of the semester in which case the regular registration procedure will be followed. A V-category course may also be offered during the semester. In such a case, scholars will be allowed to add this course before classes for the course begin.

2.10 REGISTRATION FOR ACADEMIC WORK AT OTHER INSTITUTIONS

Scholars planning to do academic work, i.e. take courses or do part of project work, at another institution in India or abroad, need to register prior to proceeding for such work. This includes scholars going out on exchange Programmes arranged through the institute and scholars intending to do project work at other institutions. Prior approval of the Supervisor, RPC, HoD and Dean (Academic Affairs) is required before proceeding on such studies for full time scholars. Prior approval of the Supervisor, RPC is required before proceeding on such studies for part time scholars.

2.11 PRE-REQUISITE REQUIREMENT FOR REGISTRATION

Ph.D. scholars are exempted from prerequisite requirements for all courses.

2.12 FEES PAYMENT

Every registered scholar must pay the stipulated fees (including Hostel Dues) in full before the six monthly seminar. In the event that a scholar does not make these payments, he/she will be de-registered from all courses and his/her name will be struck-off the rolls.

2.13 REGISTRATION RECORD

The scholar should ensure that all the relevant information is entered in the Registration Record. Queries related to registration will be considered only when accompanied by the original Registration Record. This record must be preserved until the semester grade card is received by the scholar.

2.14 CONTINUOUS ABSENCE AND REGISTRATION STATUS

If a full time scholar is absent from the Institute for more than four weeks without notifying the Supervisor or Head of Department or Dean (Academic Affairs), his/her registration will be terminated and name will be removed from the Institute rolls.

2.15 ATTENDANCE RULE

2.15.1 All scholars must attend every lecture, tutorial and practical class. However, to account for late registration, sickness or other such contingencies, the attendance requirement will be a minimum of 75 % of the classes actually held.

2.15.2 A scholar with less than 75% attendance in a course during the semester, in lectures, tutorials and practicals taken together (as applicable), will be awarded 'W' attendance in that course irrespective of his/her performance in the tests. The course coordinator will award 'W' grade to the scholar who is deficient in attendance taking into account the consolidated attendance record for the whole semester for the course concerned. For the purpose of attendance calculation, every scheduled practical class will count as one unit irrespective of the number of contact hours.

2.15.3 Attendance record will be maintained based upon roll calls (or any equivalent operation) in every scheduled lecture, tutorial and practical class. The course coordinator will maintain and consolidate attendance record for the course (lectures, tutorials and practicals together, as applicable).

2.15.4 To account for circumstances beyond control, scholars shall be permitted in only one semester (only once in the duration of Programme) the attendance below 75%, provided it is at least 65%. Attendance grade of L shall be awarded in such cases.

2.15.5 The attendance grade shall be awarded as per following table.

Sr. No.	Attendance	Grade	Remark
1	≥ 65% but < 75%	L	If L grade is not awarded earlier
2	≥ 65% but < 75%	W	If L grade is awarded earlier
3	< 65%	W	-

2.16 LEAVE REGULATIONS FOR FULL TIME Ph.D. CANDIDATE

Ph.D. research scholars will get Casual Leave (CL) of 8 days, Restricted Holiday (RH) of 2 days and Medical Leave of 15 days in a calendar year, excluding Institute's holidays. The Ph.D. research scholars will also be eligible for Special Duty Leave of 10 days in a calendar year to present research papers in conference/symposium/Sample analysis from other institutes/Workshop/STTP/STC, etc. Such leaves should be approved by the Head of Department concerned on the recommendation of the Supervisor and a proper leave account of each scholar shall be maintained by the Department. Further, if Ph.D. research scholars need extra leave for field survey and experimental studies, Research Progress Committee (RPC) of the student will look into the matter and will give their recommendation for number of leaves as requested by the student for approval of the Chairman, Senate. Women research scholars will be eligible for Maternity Leave with assistantship for a period not exceeding 135 days once during the tenure of their award.

2.17 ATTENDANCE REQUIREMENTS FOR ASSISTANTSHIP

A Ph.D. scholar irrespective of the source of research assistantship while pursuing course work, must attend at least 75 % of classes in each course in which he/she is registered. In case his/her attendance falls below 75 % in any course during a month, he/she will not be paid Assistantship for that month. Further, if his/her attendance again falls short of 75 % in any course in any subsequent month in that semester, his/her scholarship and Assistantship will be terminated. A research scholar after having completed the course work must attend to his/her research work on all the working days and mark attendance except when he/she is on duly sanctioned leave.

All scholars who are offered assistantship are required to register for a special course (XXD603) with Satisfactory/Unsatisfactory grade. They are expected to put in 8 hours per week towards the work assigned by the Institute. Continuation of assistantship in a subsequent semester would be conditional to obtaining a satisfactory grade in this course.

3. DEGREE REQUIREMENTS, REGULATIONS AND PROCEDURES

3.1 COURSE REQUIREMENTS

The award of Ph.D. degree is in recognition of high achievements, independent research and application of scientific knowledge to the solution of technical and scientific problems. Creative and productive enquiry is the basic concept underlying the research work. In order to overcome any deficiency in the breadth of fundamental training or proper foundation for advanced work, special preliminary or pre-doctoral courses are given by each department/centre. These courses are given either by faculty members or by guest-speakers and specialists in the profession.

Candidates registered for Ph.D. Programme shall be required to Audit two three-credit courses XXL601 (Communication Skills) and XXL602 (Research Methodology) offered by any department (departments shall offer the course every year in rotation) in addition to the minimum course work specified by the RPC.

Candidates having a M.Sc./M.A. or equivalent degree are required to complete a minimum of 12 credits. Relaxation up to 6 credits in the course work can be considered for those with M.Phil. degree. M.Tech. or equivalent degree holders are required to complete a minimum of 6 credits. The departments may require a larger number of credits in general or in specific cases. The additional course requirement will be determined by the RPC on the recommendations of the supervisor after due consideration of the background of the scholar in relation to the proposed topic of research. These courses can be prescribed from existing M.Tech. courses, special pre-Ph.D. courses including laboratory, seminar, foreign language, etc. Normally, no independent study course will be allowed for Ph.D. scholars. However, self-study courses can be permitted if the recommended courses are not offered in the first calendar year.

The Ph.D. student has to maintain minimum 7.00 CGPA in the course work for confirmation of Ph.D. registration. If the CGPA at the end of 1st/2nd Semester is less than 7.00, he/she will be required to register for more courses on the recommendation of his/her RPC in order to make up the required CGPA. If the CGPA of the student at the end of 3rd Semester is below 7.00, his/her doctoral Programme will be automatically terminated. The student cannot repeat the same course if he/she has passed the course. All the earned credits will be considered in CGPA calculation. The course work must be completed within the first three semesters of joining the Ph.D. programme.

3.1.1 ADDITIONAL RULE FOR THE SPECIAL EXAMINATION

3.1.1.1 In case a student is absent in MTE on legitimate grounds such as serious medical problem, death of first blood relative etc., Special MTE shall be conducted normally within 10-15 days from the last date of corresponding MTE. Such requests, for Special MTE, by students shall be approved by the respective HoDs on the recommendations of the concerned course coordinator.
